ARCHIVAL SOURCES: INDIVIDUAL AWARD RECOMMENDATIONS

(Individual award recommendations and citations are on file in the form of microfilm reels in the library of the Historical Division, Marine Corps. The following list is undoubtedly incomplete since some citations are not legible. Some entire reels are not legible (e.g., Reels 44 and 52). Not all reels have been checked. The following reels have been checked: 41, 42, 43, 44, 45, 46, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, and 67. Numerous citations carry a note: "This award was previously submitted, but, due to the tactical situation, it did not reach its destination." Undoubtedly, many recommendations were made that were destroyed by rocket, artillery, fire on the Combat Base while waiting in the mail bags, in aircraft that were shot down, etc.)
